Georgia Nazarenes:

For years Adrian Camp and Conference Center has had what is called "Friends of Adrian". Originally, this was designed by Jack Smithwick to help with the landscaping at Adrian Camp. To be a "Friend of Adrian," individuals give \$10 a month or \$120 per year. There are "Friends of Adrian" who have supported Camp Adrian in this manner for years.

The camp has benefited from these friends throughout the years.

At the present, we have a real need at Adrian Camp which needs our attention before the camping season begins. Our pool needs a new liner. The present liner has been patched and patched and now it is time to get a new one. To insure the teens and children and others who enjoy the pool will be able to this summer, summer we are calling upon friends of Adrian to help meet this need.

You can do this by joining the group "Friends of Adrian" and give \$120. Or, you can give any donations towards this project which you desire to give because you are a friend of Adrian Camp and want to help meet this need. This is a great opportunity for us to pull together to fund this much needed project at our district campground.

When is this money needed? As soon as possible! To insure that the new pool liner is installed in time for the camps, the money is needed by the first of April.

The District Nazarene Sunday School and Discipleship Ministries and the District Nazarene Missions International and the District Nazarene Youth International have offered to promote this project for our camp by calling on, as many as will, to become friends of Adrian and help raise these much needed funds. Would you help us get the word out? Would you participate with a donation of your choice? Would you become a "Friend of Adrian" and give \$120 by the end of this church year, March 31?

Donations may be mailed to:
